PROFILE

I am a passionate and skilled website developer. I am dedicated to creating user-friendly interfaces and have a strong focus on delivering high-quality projects. My goal is to contribute to innovative web solutions that enhance user experiences.

WORK EXPERIENCE

VidyalayClasses
Website Developer | Jan 2022 - Jun 2022 | unpaid

- Developed the user interface using HTML, CSS, and JavaScript.
- Implemented Swiper JS templates for improved website functionality.
- Utilized PHP for receiving contact information in the contact section.
- Collaborated with a team to deliver a user-friendly website.
- Acquired hands-on experience in HTML, CSS, JS, and PHP development.

PROJECT

SmartBooking:

Description: Developed a user-friendly hotel reservation website offering convenience to travelers and hoteliers. Enables easy search and booking from anywhere, eliminating the need for individual hotel visits. Streamlines booking management for hoteliers, reducing paperwork.
Skill: React ,Node ,Express, MongoDB
